Hi, I'm Cheryl Davies I have been going to The Sporting Aces from the very start when it was the Tennis Aces and before the club had become a charity. The role I have at the charity is being a volunteer with helping all the participants at the sessions and being an ambassador for the Charity. Out of The Sporting Aces I work at Lenzie meadow nursery helping with the children which I really enjoy. Also, in my spare time I love chatting to my friends, spending times with friends and seeing Sean.

At the charity I have achieved so much from doing the Kilt walk, completing a lot of courses over the years, also just building confidence in myself and lots more which I am so grateful for all the opportunities I have been given at charity. In the charity we do a lot of multi sports for the participants such as basketball but my favourite thing which we do at the charity is Dancing with Dance boogie fit with Karen Young which I really enjoy it's so much fun. I was so glad when the group started doing dancing with Karen from Dance boogie fit right back in the lockdown of pandemic. I have participated in most of the dance sessions, from when we had to do them outside to go along with the guidelines from the government. Also, I love the Sunday sessions helping with all the participants supporting them with all the multi sports what we do at the charity. Also, I love joining in doing the sports as its always so much fun and we always a laugh and this is why I love going to the charity. Also, I have made a lot of great friends from the charity. I would like to say it's a pleasure being a volunteer and ambassador at the charity and I love working with everyone within the charity and I can't see what the future brings for me within the charity.

The Sporting Aces receives a number of grants from various funding bodies, and we regularly apply for funding on an ongoing basis. However, our current income is not enough to cover our full running costs, and to allow us to continue to run all of our free weekly sessions. If you would like to help The Sporting Aces, then why not become a **Friend of The Sporting Aces?**

In exchange for a monthly donation of your choice, you will receive electronic **monthly newsletters** telling you what we have been up to, invitations to our **charity events**, and one of our **limited edition The Sporting Aces mugs**. Please contact office.thesportingaces@yahoo.com for more information.
